Participate in the Hunger Walk!

- Be a Hunger Walker - individuals and families can register to walk, create an individual fundraising page and join us on October 21st.
- Be a Virtual Walker - Not able to join us for the event? Hate walking? No problem. Register online as a virtual walker and you can still invite your friends and family to support Westside Food Bank
- Form a Walking Team - gather your friends and family, colleagues, classmates and more to walk together. You'll get a dedicated team webpage to track your progress with each team member contributing towards group and individual goals. We encourage friendly competition, so consider inviting a competing business, school or club to form a team and see who can bring the most walkers or raise the most money!
- Volunteer at the event - Contact Allison Griffith for more information.
